Applying for KINDERGARTEN & 1ST GRADE

Applicants applying to Kindergarten & 1st Grade must score at least 20 points on the admissions matrix to be eligible for admission to Lake Forest Charter School.

How is the matrix score calculated?

Matrix scores are calculated by adding math %tile (up to 10 points), reading %tile (up to 10 points), portfolio submission (3 points), viewing of the orientation (3 points), and submitting questionnaire (3 points). Applicants applying for kindergarten and first grade must score 20 out of the 29 points, to be eligible for admission.
