

LFC Matrix

Grades Kindergarten & 1

What are the points required for Phase I & Phase II?

PHASE I: Kindergarten and 1st grade applicants must score 11 or more assessment points to progress to Phase II.

PHASE II: Kindergarten and 1st grade applicants must score 20 or more or more total matrix points to be eligible for enrollment.

How is the matrix score calculated?

PHASE I: Matrix scores are calculated by adding the combined math and reading portion of the assessment.

PHASE II: Matrix scores are calculated by adding the Phase I assessment score, 3-part portfolio: artwork / handwriting sample / hand drawn self-portrait, and orientation/survey submissions.

Matrix Points	Reading Points	Math Points	3-Part Portfolio	Orientation & Survey
10	90-99 %	90-99 %	-	-
8	80-89 %	80-89 %	-	-
6	70-79%	70-79%	-	Submitted
5	60-69 %	60-69 %	-	-
4	55-59 %	55-59 %	-	-
3	50-54 %	50-54 %	Submitted	-
2	40-49 %	40-49 %	-	-
1	0-39 %	0-39 %	-	-

LFC Matrix

Grades 2-8

What are the points required for Phase I & Phase II?

PHASE I: Grade 2 through 8 applicants must score 14 or more assessment points to progress to Phase II.

PHASE II: Grade 2 through 8 applicants must score 33 or more total matrix points to be eligible for enrollment.

How are matrix scores calculated?

PHASE I: Matrix scores are calculated by adding the math and reading portion of the assessment.

PHASE II: Matrix scores are calculated by adding Phase I assessment score, 2024-2025 final report card g.p.a., 2024-2025 final attendance, and orientation/survey submissions.

Matrix Points	Reading Points	Math Points	24-25 G.P.A.	24-25 Attendance	Orientation & Survey
10	90-99 %	90-99 %	3.5-4.0	-	-
9	80-89 %	80-89 %		-	-
8	70-79%	70-79%	3.0-3.49	-	-
7	55-69 %	55-69 %	2.5-2.99	-	-
6	50-54 %	50-54 %		-	Submitted
5	45-49 %	40-44 %	2.3-2.49	-	-
4	40-44 %	40-44 %	2.0-2.49	-	-
3	-	-	-	0-5 unexcused absences	-
2	-	-	-	6-7 unexcused absences	-
1	0-39 %	0-39 %	0.0-1.99	8-9 unexcused absences	-
